

SG MULTIPLY: PARTNER EXPERIENCE

NEW PARTNER ORIENTATION

- Meet with SG Multiply leadership
- Learn more about HOPE's savings group methodology and structure
- Sign MOU
- Meet with SG Multiply consultants to prepare for design workshop

MINISTRY DESIGN

- Host HOPE team and introduce them to your program and operational processes
- Work with SG Multiply team to design and contextualize overall savings group ministry framework and structure
- Adapt savings group tools and develop plans for ministry launch

TRAINING & LAUNCH

- Participate in training of trainers with HOPE on savings group curricula and methodology
- Facilitate orientations with local churches to introduce the savings group ministry
- Recruit and assess staff/volunteers for the ministry
- Co-lead trainings for savings group facilitators

ONGOING SUPPORT

- Participate in monthly coaching and support calls with HOPE
- Provide quarterly operational reports on savings group ministry metrics
- Continue mentoring and monitoring savings group ministry activities and progress
- Participate in SG Multiply gatherings and workshops

ASSESSMENT & EXPANSION

- Assess progress using HOPE's ministry assessment tools
- Develop and review ministry expansion plan with support from HOPE
- Reevaluate overall objectives and targets for the ministry
- Conduct church orientations and facilitator trainings in support of expansion

LONG-TERM ENGAGEMENT

- Transition to full operational ownership with minimal HOPE staff engagement
- Organize and lead check-in calls with HOPE
- Continue to participate in SG Multiply gatherings and workshops
- Share best practices and network with other SG Multiply partners

ALUMNI

- Completed SG Multiply Process
- Participate in regional global SG Multiply Community of Practice events
- Contribute to online Community of Practice and access latest resources
- Report annually on impact of savings groups
- Provide peer mentorship to other SG Multiply partners
- Champion of savings group in their context
